Foreword

MOMENTS TO REMEMBER

Remember the first day of school when we greeted old friends and were assigned to new classes? How about the football games and the half-frozen spectators; the Homecoming Parade with the beautiful queens, decorated floats and old grads?

Then with the approach of winter came the basketball season. Tense with excitement, we cheered our teams on.

In the midst of all this came the much anticipated Christmas vacation. After a social whirl of parties and dances we returned to the old grind. In no time at all the second semester had begun and we could say that half of our school year was behind us.

Then along came the basketball tourney and school spirit was in full swing. The fans went wild while teams played their hearts out to win.

All of a sudden it was spring. Students began cramming for final exams. Prom committees were appointed and a theme was chosen.

At last the big day arrived. Summer vacation was finally here. With all of the confusion and excitement behind us we looked back over a year filled with many "MOMENTS TO REMEMBER."

THE ANNUAL STAFF

DEDICATION

To Mom and Dad
For all your love and confidence
That helped me move ahead,
And also for the little things,
Thanks I've left unsaid.
I couldn't think of all the things
You've sacrificed for me.
To list them would be hopeless,
For there's much I wouldn't see.
Then too, apology for things I've
Said is over due,
And I missed so many chances
When I should have repaid you.
For all these things you've done for me
And thanks you've seldom had,
I say "Thank you," and then thank
God for the nicest Mom and Dad.

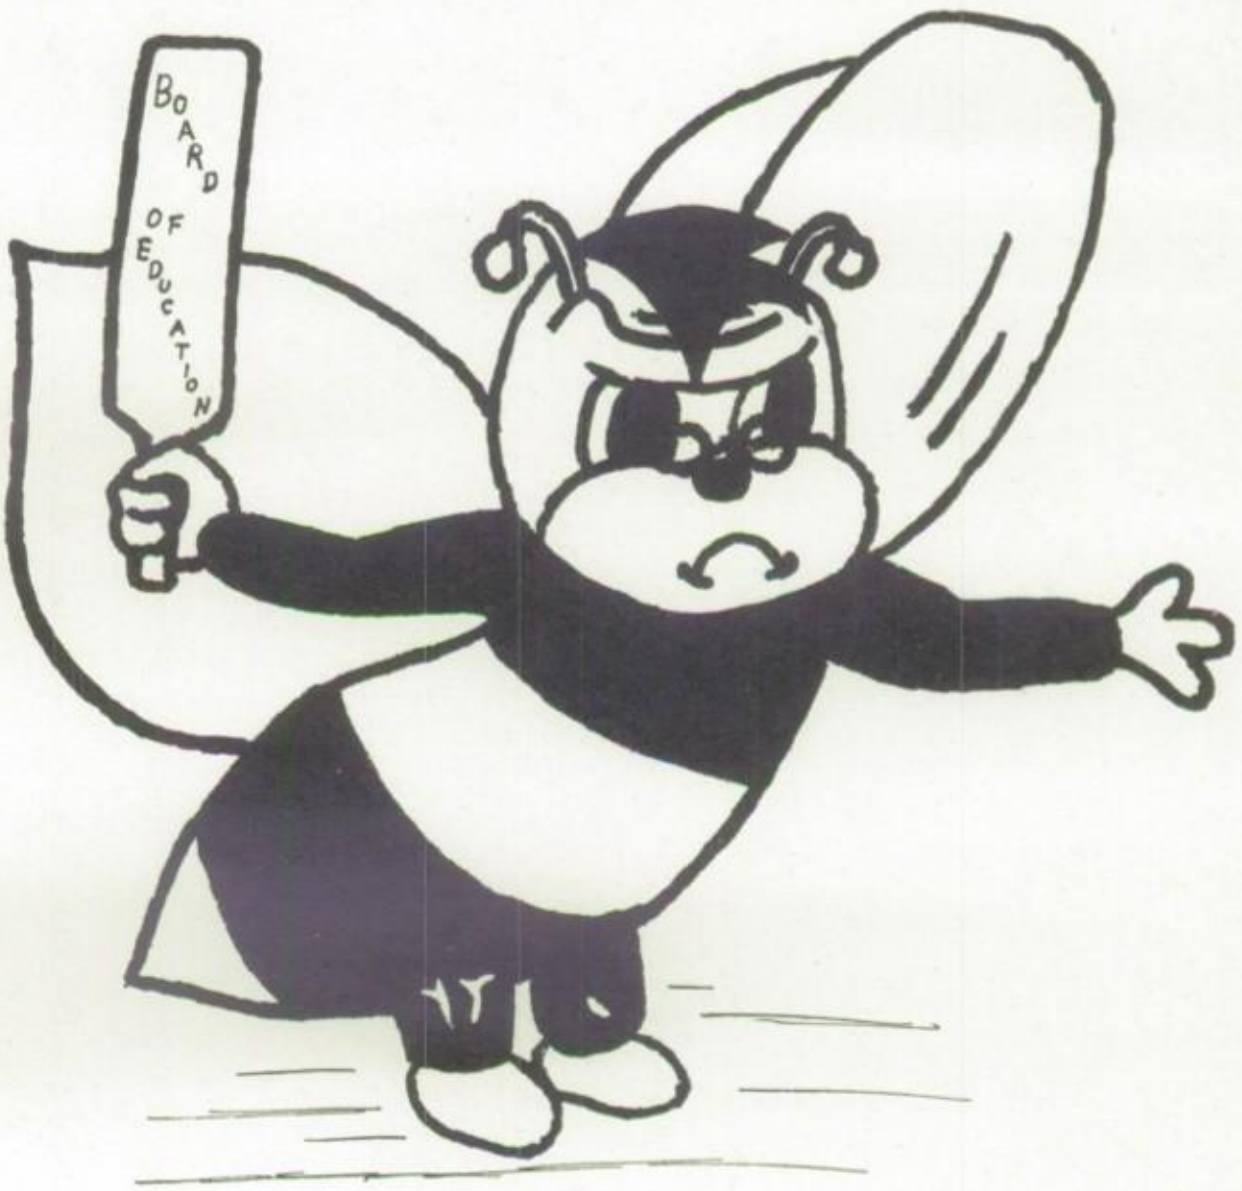
FACULTY



And

ADMINISTRATION

Superintendent

The Annual Staff is to be commended for its united effort in giving this written and pictorial record of the various activities of our school life. These pages will bring many a happy memory in the years to come.

In our remembrance of things past, let us not forget the things that lie ahead. Ours is a young, vigorous, democratic country which is always looking forward to progress. When we do nothing but look backward to past pleasures and triumphs, we stand still . . . we do not progress.

It is good to pause and look back from time to time, but do not forget to also look forward to the new experiences, new pleasures, new triumphs and fulfillments that the future holds in store for you.

RUSSELL PURSELL

Principal

The Year Book staff is to be commended for a job well done as evidenced by this annual. Realizing the work and time that has gone into such a project, we let them know that the time and energy spent has been appreciated.

This is a record of people and experiences that will bring to mind in the future those things of the past that meant so much to those involved. The things that seemed so very important at the time will be dimmed by new experiences, which in an adult world will have new meanings and importance.

Often youth misplaces its sense of values and through development and growth the school hopes to develop in them a true sense of values and high ideals so that the citizens of our country will always be of the highest type.

Take this book, cherish it; for it is a record of people and events that in time to come will be "Moments to Remember."

Assault and Battery!

Our last year in KHS! We have so many wonderful years in high school to look back on. We have enjoyed our association with our class sponsors, Mrs. Buswell and Mr. Harmon, who have always been there to help us when we needed them.

The highlight of our first semester was Homecoming Day when we presented our lovely class queen, Jeannie Springer, on our float using the theme, "Red Sails in the Sunset." We won third place on our float and first place on our skit which was based on Steve Allen's "Man on the Street."

This year our class was well-represented in "Royalty." Norina Castine was selected FFA queen and Henry Senn was FHA king; Melvina Christy was Pep Club queen; and Veta Reiswig was crowned football queen during the half-time of the Homecoming Game.

We shall remember the fun provided by giving our senior play and going on our senior trip. It was the last outing which we enjoyed together as a class. The girls will always remember the Senior Girls Tea and the wonderful time they had. Last, but certainly not least, was the shining moment when each of us marched across the stage in his cap and gown to receive his diploma. Some of us were slightly sad in knowing that with this moment our career as high school students was ending and that we were turning another page in the Book of Life.

Under the leadership of Mr. Books, our class sponsor, we, the Junior class have made many accomplishments that we shall be able to look back on with much pride.

Homecoming Day was the highlight of our first semester. Our class was represented in the festivities by a very unique and original float with the theme "Plow 'Em Under" which expressed our spirit concerning the Homecoming game. Janell Burnett, our lovely queen, graced our float in the parade.

Our play, "Wild About Harry" was also very successful.

We feel that we have done many things this term which we will remember in years to come.

Mrs. Payne and Mr. Edge were a great help to us as our class sponsors in our sophomore year. They will be our sponsors throughout our high school days.

With Lura Wright as the queen of a winter scene, our float won second place in the annual Homecoming parade.

Both Saundra Bishop and Mike Combs, the sophomore candidates, were selected king and queen of the Yellowjacket yearbook for 1957-58.

Many members of our class brought honors to us through FFA, FHA, 4-H, Band, and several were on the Basketball, football, baseball, and softball teams. We were proud to be represented in these organizations.

We will always remember our sophomore year, our first year in High School.

The Kingfisher FHA has had a very active year. The president of this year's chapter is Mary Jo Browne. The meetings were well planned and created much interest. We made our goals more enjoyable by sharing with our families and friends at Family Interest Night, Holiday Dinner, U.N.E.S.C.O., Our Fire Side Party, Daddy Date Night, World Dinners, Rose Garden, Flower Arrangement with Mom, Consumer Survey, and Our Slumber Party.

Our local goals of FHA are: Co-operate with civic groups, observe FHA week, and participate 100% in our FHA meetings.

The state goals are: Remembering the Aged and Knowing Your Family.

The most important are our national goals, as, Family Together, Teenage Consumer, U.N.E.S.C.O., and City Beautification.

We were very lucky to have Jane Leisher selected as Northwest District Vice-President.

Surprise, Books!

What is this younger generation coming to?

The Kingfisher Senior 4-H Club was organized in the fall of 1955. As a club we have achieved many goals. This year we have been designated as the outstanding 4-H Club in Kingfisher County. Also our Share-the-Fun Skit won first prize at the County Share-the-Fun Contest. By winning this, we earned the right to proceed to Stillwater to compete in the District contest. Many of our individual members have been awarded high honors. Their animals have been awarded top honors in stock shows all over the state. Gary Helt won "grand champion" at the Muskogee fair and at the Kingfisher County Fair on his dairy animals. Also, many of our girls have achieved the limelight at the County Dress Revue each spring.

Karen Leitner, Kayleen Harrison, Cecilia Schoelen, and Sylvia Lohmeyer were some of the girls whose garments went to the State Fair last fall and won honors.

Football

The 1957 Yellow Jackets, although handicapped by lack of experience and a midseason flu epidemic, finished the season with an even .500 percentage, 4-4-2, and 3rd place in district standing. Due to the fact that few Seniors were present on the starting eleven nobody was placed on the first All-District team. Don Miller and Gerry Borelli were selected to the second team at quarterback and center respectively.

The Jackets opened their season at home against Bethany, downing the Bronchos 12-7. Clyde Buchanan set up the first score by hauling in a pass on the five yard line. On the ensuing play Don Miller fell on a fumble in the end zone for the score. Jerry Stewart scored the winning touchdown from three yards out.

Playing in a drizzling rain, the Yellow Jackets fumbled their way to an 18-18 tie with Yukon the following week. Trailing 12-18 late in the final period, the Jackets lost the ball on fumbles twice inside the Yukon five yard line before finally pushing across the tieing score.

Kingfisher traveled to Cordell the next week for their first District 3-B game. Jerry Linton scored four times and Larry McIntosh added another as Kingfisher brought home a 34-12 victory.

The Carnegie Wildcats furnished the Jackets with stiff opposition in the Homecoming game It proved to be a real thriller as Kingfisher staved off a last minute Carnegie drive for another 3-B victory, 25-22. Linton again scored four touchdowns.

Veta Reiswig was crowned football queen at the halftime performance by Captain Don Miller.

The following week Kingfisher traveled to Crescent to take on the state's third rated class "C" team. McIntosh led the Kingfisher offense, but neither team scored as it ended 0-0.

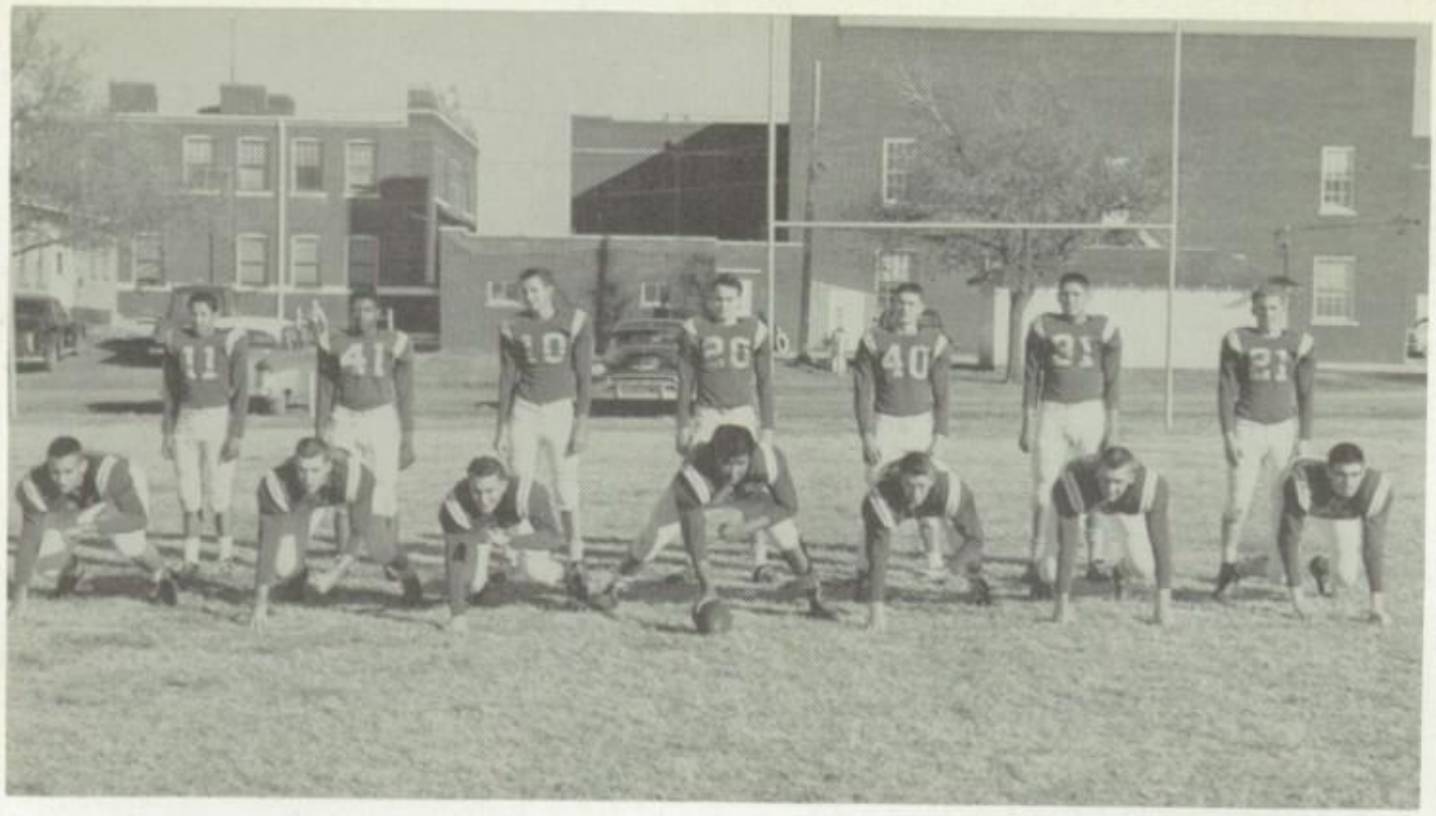
On the next Friday a flu-riddled Kingfisher squad traveled to Fairview. With Junior High players filling in at several positions, the Jackets lost their first game of the season, 61-7.

The Geary Bisons came to Kingfisher the next week and again the flu showed its effect as the Bisons took home a 25-7, 3-B victory. Jerry Stewart counted Kingfisher's lone touchdown on a 61 yard dash.

The Yellow Jackets found their winning ways again the next week as they downed the Hinton Comets 33-20 in a seesaw battle. Linton scored first on a 56 yard sleeper play and later on a 70 yard punt return. Miller returned a kickoff 80 yards for a score and hit Linton with a 53 yard scoring pass. Stewart added the other tally on a 3 yard plunge.

The big game with arch-rival, Watonga, was next for the Yellow Jackets. The Eagles proved too much for the Jackets as they completely outplayed them for a 39-6 Watonga victory. Laverne Buffalomeat counted Kingfisher's lone tally from 1 yard out.

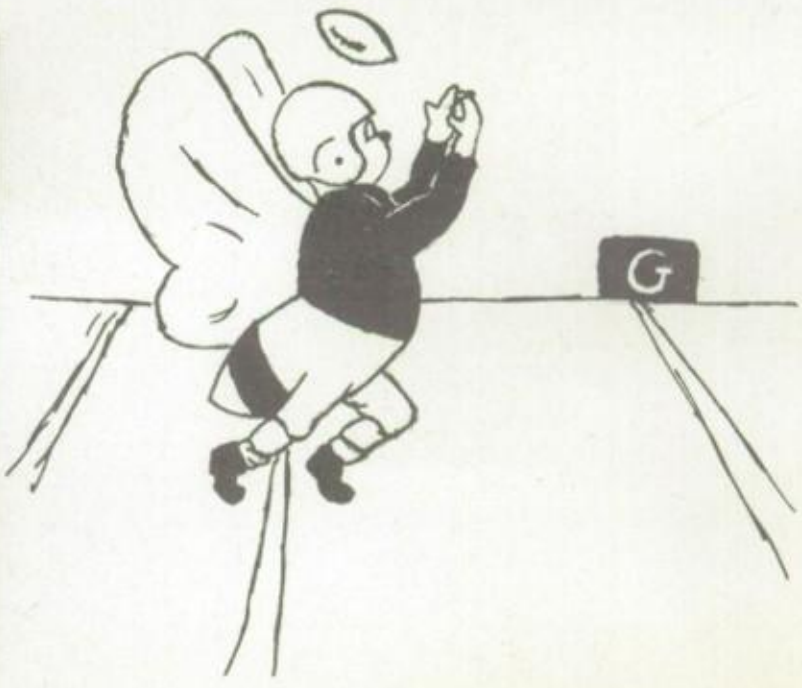
Kingfisher played host to Weatherford the next week, an undefeated powerhouse rated third in class "B." The Jackets played what most considered a good game in spite of the score, 12-40. Linton scored Kingfisher's first touchdown on a 20 yard sprint, and Nolan Banks added a second on a one yard plunge. So the season ended, but with only a few graduating Seniors the outlook is for a really successful year next fall.

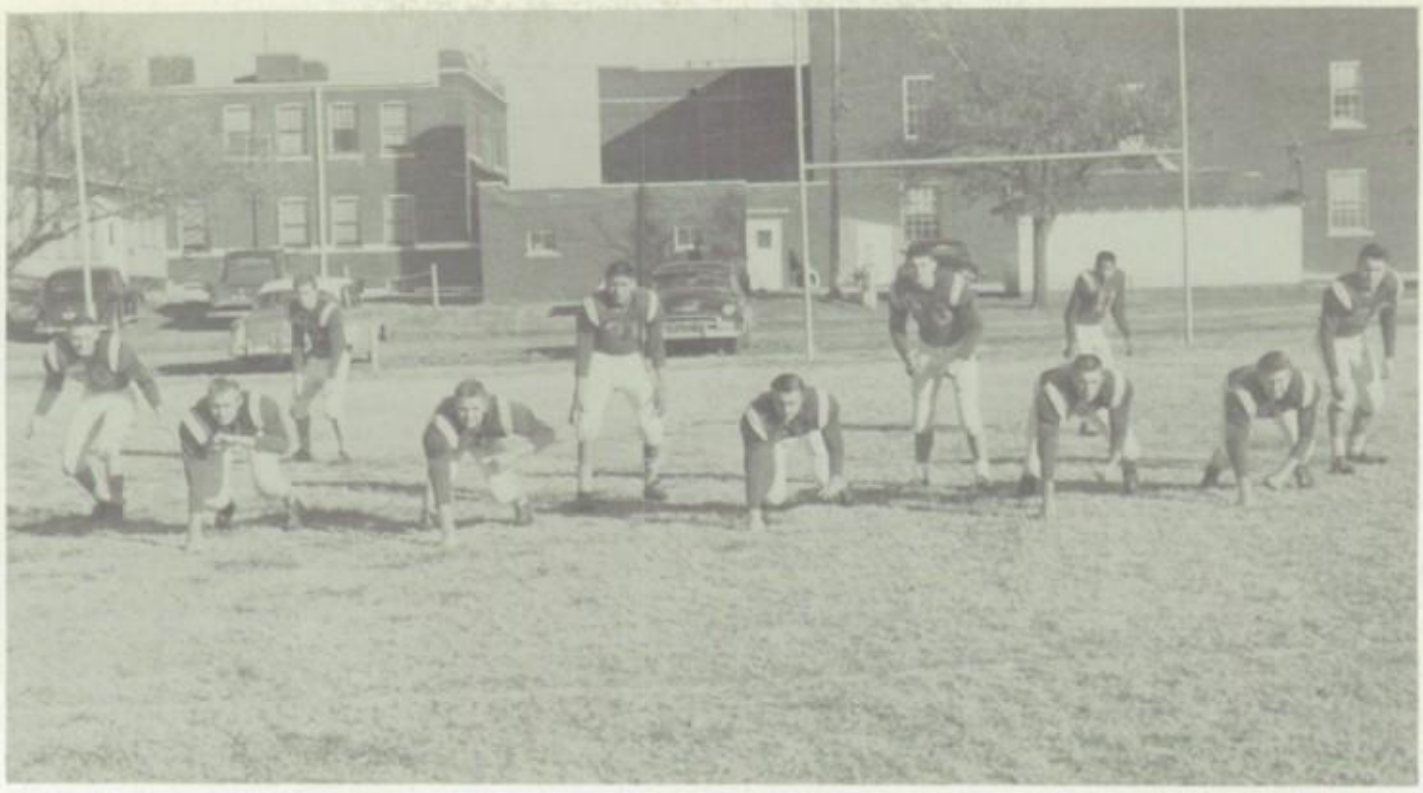


Offense: Tommy Chaino, halfback; Nolan Banks, halfback; Larry McIntosh, halfback; Donnie Miller, quarterback; Jerry Stewart, fullback; Laverne Buffalomeat, fullback; Jerry Linton, halfback; Clyde Buchanan, end; Gerry Borelli, tackle; Lyle Walton, guard; Gilbert Lamebull, center; John Thorpe, guard; Steve Smola, tackle; and Howard Johnson, end.

Assistant Coach Truman and Coach Leathers go over the film of last week's ball game.

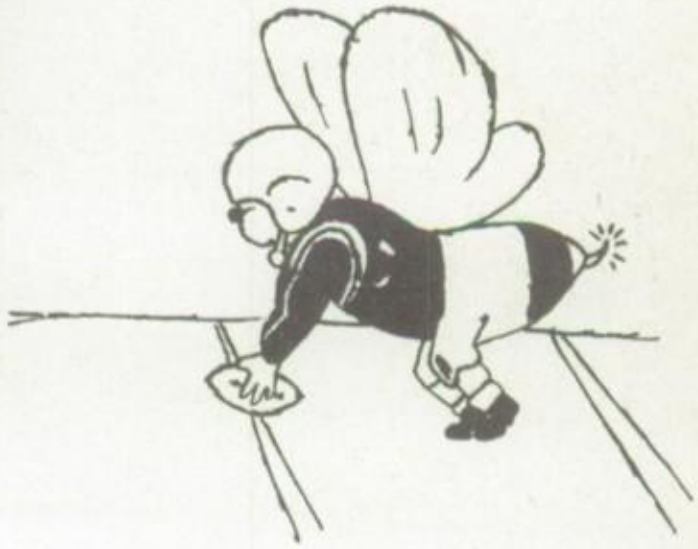
Larry McIntosh and Laverne Buffalomeat team up to haul down a Bethany ball carrier as Jerry Stewart comes up to help.





Defense: Jerry Linton, Tommy Chaino, halfbacks; James White, Laverne Buffalomeat, Jerry Stewart, Donnie Miller, linebacks; Charles Gender, Kenneth Smith, Chuck McHone, Gerry Borelli, and Leon Miller, linemen.

Don Miller carries for a good gain against Watonga after receiving a pass from Linton.



Nolan Banks scores Kingfisher's final touchdown of the year against Weatherford.

Coach Lorenz, Nolan Banks, Jerry Linton, Howard Johnson, Nathan Rednose, Clyde Buchanan, Larry McIntosh, Laverne Buffalomeat, Ray Lee Wall, Dennis Kale, and Joe Pursell.

Howard Johnson cans two against Dover.

Larry McIntosh feeds off to Howard Johnson against Okarche.

"Before the big moment"

Dazed?

From outer space?

Mrs. Michelson and Mr. Lorenz were our freshman class sponsors. Newly selected colors were rose and white. The flower was the American Beauty Rose.

Twenty-five members of the freshman class were on the Junior High Football team. They chose as their football princess, Sherry Steele.

Our float, "Yellowjackets Spring Wildcats" featuring Sylvia Lohmeyer as queen won first place in the homecoming parade.

The freshman class was honored to have Wayne Klingsick chosen as the "Most Popular Boy in Junior High."

We will recall our memorable years in Junior High School as we look forward to our future years in senior high.

Our class sponsors were Mrs. Cochrane and Mr. Leathers.

One memory that will linger with us always is the annual prom we gave for the freshman class. Our first semester party was a dance that was enjoyed by everybody.

We were proud of the 13 members of our class that were in the band, the 16 members that were in the 4-H, and the members who participated in sports.

Our eighth grade class memories will be with us always.

Seventh Grade

Twenty-seven boys and twenty-eight girls took a big step forward on September third when we left the familiar grade school for our first year of Junior High. Mr. Crowder, the teachers, and the older students made us feel welcome, and soon we were feeling right at home.

We were happy to have as our sponsors, Mr. Truman and Mrs. Snider. Their help and guidance has been invaluable to us as we have become adjusted to our new surroundings.

Four of our fellow classmen were accepted in the High School Band and a number of our classmates were members of our county 4-H Club. We were proud of these members of our class and we know that they will add to these organizations and will be helped by them.

With the pages turned, with memories refreshed, you have come to the end of the 1958 Yellow Jacket. In this book, the yearbook staff and sponsor have tried to preserve "Moments to Remember" for you and our school. It is realized that many wonderful moments are not recorded in the Yellow Jacket. Many things happened that no camera recorded and those moments are recorded only in the minds of those who were present. May the moments which are recorded here enrich your life forever.

Seldom does the sponsor of a yearbook have the privilege of writing an article which can be called his own. I wish to thank the business staff and the editoral staff for this privilege.

As sponsor, I wish to express my appreciation to the students, who have worked diligently; the board of education, who has given its permission; the business men, who have contributed money; the superintendent, principals, teachers, and others, who have given assistance and cooperation in making this year book possible.

I realize that errors have been made in our yearbook but he, who makes no errors, does not live. It's wonderful to be alive!

As time comes and goes, may I suggest that you look toward the future and try to see what it holds for you. Life can be sweet. Life can be bitter. You and you alone can choose the road that you will take.
